Fill this out digitally (all fields below are typeable) and an email copy will be sent to you and Sun Patch Pet Care. Signed once, the Service Agreement stays on file — no need to re-sign for future bookings. If someone other than you will access your home during a visit or trip, ask about the separate Waiver of Liability form.

Note: sensitive details regarding the client and pets (lockbox code, entry details, routines) are not included here for security reasons. We'll go over those together during your consult call ahead of our physical meet-and-greet.

1 · Service Agreement

Terms, rates & Home/Pet Care Guidelines

This is an agreement between Sun Patch Pet Care ("Sitter") and the Client named below, for home and pet care services beginning on the start date below, and thereafter on an as-needed basis. Sun Patch Pet Care agrees to provide services as outlined in this contract and the attached Home & Pet Care Guidelines in a trustworthy, reliable, and caring manner.

Client Name

Start Date

Services Provided

Sun Patch Pet Care offers care for dogs, cats, birds, small pets, and reptiles, including walks, drop-in visits, midday walks, and evening/night sits.

Pet Care

Client authorizes Sun Patch Pet Care to perform care and services as outlined in this contract and the Home & Pet Care Guidelines, which are part of this agreement.

Sun Patch Pet Care is authorized by signature below to seek emergency veterinary care, with release from liabilities related to transportation, treatment, and expenses. Should the specified veterinarian be unavailable, Client authorizes Sun Patch Pet Care to approve medical and/or emergency treatment with any available veterinarian or animal hospital. Client agrees to promptly reimburse Sun Patch Pet Care for any expenses incurred.

Client authorizes Sun Patch Pet Care to use best judgment in caring for pet(s) and home in the event of natural disasters, severe weather, or other circumstances beyond the sitter's control, including giving full permission to act in Client's stead if fire, police, or other officials are required to assist during the pet sitting assignment.

Payment & Rates

Cat & small pet visit (20 min): \$20 · Drop-in / walk (30 min): \$30 · Extended visit: +\$6 per additional 15 minutes · Midday walk: billed as a standard drop-in · Evening/Night sit (7pm–7am): \$85 · Holiday surcharge: +\$15/day.

Drop-in visits are a 30-minute minimum, twice daily for all dogs, with a 3-pet maximum per visit; each additional pet past 3 is +\$3. Fuel surcharge: +\$2 (under 15 min travel) / +\$4 (15–30 min travel). Visits outside the standard service area incur a +\$5 per 15 minutes out-of-area surcharge. Rates are subject to change without notice.

Client agrees to reimburse Sun Patch Pet Care for any necessary and unexpected expenses for veterinary care, pet supplies, or home-related items, at \$25/hour plus materials or item cost.

Client agrees to pay for services in full at or before the first visit of each service period, via the method arranged at booking. A \$25 handling charge applies to any payment returned for any reason. Unpaid balances forfeit this contract.

Cancellation

Cancellation of services should be requested with as much advance notice as possible. Late cancellations are charged as follows:

7+ days' notice: no charge · 24–72 hours' notice: 50% of the total invoice · Under 24 hours' notice, or no-show: 100% of the total invoice.

Holiday-period bookings (Thanksgiving, Christmas/New Year's, and other major holidays) require 14 days' notice for the no-charge tier to apply. Inside that window, the standard 24–72 hour and under-24-hour charges above still apply.

Sun Patch Pet Care reserves the right to waive or reduce this charge at its sole discretion.

Returning home earlier than planned without notification, or failing to check in upon arrival home, may forfeit a refund or incur charges for additional visits made to the home. Clients must notify Sun Patch Pet Care to confirm they are home and resuming care of their pets.

Inclement Weather

In the event of severe weather (blizzard, ice storm, road closures, or similar) that makes travel unsafe, Sun Patch Pet Care will make every reasonable effort to reach scheduled visits, but reserves the right to delay or reschedule a visit for safety reasons, with the client notified as soon as possible. Cancellations or date changes made necessary by weather-related travel disruptions (e.g., delayed flights) are not subject to the standard late-cancellation charges, at Sun Patch Pet Care's discretion.

Liability

Client waives and relinquishes all claims against Sun Patch Pet Care, except those arising from negligence or willful misconduct.

In the event of personal emergency or illness of the sitter, Client authorizes Sun Patch Pet Care to arrange for another qualified person to fulfill responsibilities under this contract.

Should the sitter be bitten or otherwise exposed to disease, ailment, or injury from Client's animal or premises, Client is responsible for all resulting costs and damages. Serious bites must be reported as required by law.

Sun Patch Pet Care reserves the right to terminate this contract at any time for any reason, including if a pet or premises are determined to pose a danger to the sitter's health or safety.

If a locksmith is required to gain entry due to lock malfunction, key breakage, absence of a key or working code in the pre-arranged location, or a code/lock change made without notice, Client agrees to pay all resulting costs plus \$25/hour for time spent gaining access. With signature below, Client authorizes Sun Patch Pet Care to employ a locksmith if needed, at Client's expense.

This signed contract remains valid for future services, permitting phone, email, or portal reservations without a new signed contract for each booking.

Client has reviewed this service agreement and the Home & Pet Care Guidelines for accuracy and understands its contents.

Home & Pet Care Guidelines — For Client Pets

All food, supplements, treats, and medications should be readily accessible and clearly labeled for the sitter. Pets should be current on vaccinations as required by local authority.

For pets walked on leash in public areas, Sun Patch Pet Care is not liable for injury or loss due to sudden or erratic pet behavior, encounters with other animals, or resulting injury to another animal or person.

Pets with outdoor access must have a secured, inspected area such as fencing, gates, and ID tags recommended. Client releases Sun Patch Pet Care from liability for outdoor pets that escape, become lost, are injured, or are stolen while unsupervised. If a pet goes missing, Client authorizes notification of animal control and a reasonable search at \$25/hour.

Home & Pet Care Guidelines — For Client Home

Doors, windows, and other entry points should be secured and in good repair. Sun Patch Pet Care is not liable for items lost or damaged due to weather, pets, or other visitors to the home, including gardeners, cleaners, family, etc.

Indoor/outdoor plants should be watered once before a trip of three or more days, if plant care is requested.

If an alarm/security system is used, the alarm/security provider should be notified of pet sitting services and provided Sun Patch Pet Care's contact info: (720) 584-6059.

All needed supplies should be visible and accessible: leashes, collars, food/water bowls, litter, waste bags, cleaning supplies, and extra light bulbs if relevant.

Two access methods are required: a lockbox, plus one additional entry option (smart lock, garage code, etc.). The lockbox serves as a failsafe in case the primary method fails (low battery, power outage, connectivity issues, etc.). No keys are collected or kept on file. Access codes should be confirmed as current before each booking.

Job Sharing

Sun Patch Pet Care strongly discourages job sharing with friends, neighbors, or other providers. If another party will access the home or share in pet care while Sun Patch Pet Care is engaged, this must be disclosed in advance — see the separate Waiver of Liability form. Undisclosed access by another party may result in immediate termination of service.
